

Tuition Assistance Program (TAP) Of the German Saturday School Boston Policy

2017-2018 School Year

The German Saturday School Boston (GSSB) is pleased to offer a Tuition Assistance Program (TAP). This program is open to families returning to the GSSB. The following provides important information about TAP:

Purpose of the Program:

It is part of the mission of the German Saturday School to provide affordable German Language Education to children between pre-School and 12th grade. Consistent with this mission, the GSSB allots a certain amount of money to give out as tuition assistance to families with demonstrated financial hardship.

Administration:

TAP is administered by the TAP Board, a third party group separate of current GSSB administration or staff members. The TAP Board consists of three members who are former parents of students at the GSSB and previously served as members of the school committee.

Confidentiality:

The TAP Board will use the information submitted by families to determine eligibility for participation in the TAP. This information will be kept confidential. GSSB teachers, administrators, or school committee members will not have access to, request or receive any specific information pertaining to the application details of an applicant.

In case participation in the TAP is approved by the TAP Board, both the GSSB Treasurer and Registrar will be informed about the assistance amount, but not about any application specifics. The information submitted to the TAP Board will be destroyed.

Eligibility:

Eligibility is reviewed and determined by the TAP Board. The program is open to returning families. There are no rigid rules that determine eligibility for participation in the TAP. The TAP Board understands that each application contains a unique set of facts and circumstances and therefore wishes to retain a degree of flexibility in the criteria for awarding assistance.

Typically, families whose children participate in a school lunch voucher program would be considered eligible. Other supporting documentation provided to the TAP Board describing the financial hardship will allow the board to make an individual determination.

Assistance Amounts:

TAP generally provides partial tuition assistance. The applicant will be responsible for the remainder of the tuition cost that is not covered by TAP. However, in exceptional hardship cases, the TAP Board may consider a full tuition grant.

Communication:

All communication regarding the application for participation in TAP has to go through tap@gssb.org. Confidentiality cannot be guaranteed for any information sent through other communication channels, and may also not be considered in the determination of eligibility to participate in the TAP.

Information to be Provided:

The information to be provided may vary depending on what information the candidate believes will prove the family's financial hardship. Such information could include

- a. The first two pages of the 2016 US Individual Income Tax Return Form 1040 or Form 1040EZ
- b. Some recent pay stubs or documentation about reception of unemployment assistance
- c. Copies of school lunch vouchers

PLEASE NOTE: APPLICATIONS FOR EXTENSIONS TO FILE TAX RETURN WITH ESTIMATE OF TAX LIABILITY OR OTHER TAX PROJECTIONS ARE NOT SUFFICIENT.

If the information provided to the TAP Board is deemed not sufficient to make a determination, the TAP Board may ask for additional information or clarification to existing information. Upon delivery of such information or clarification, the TAP Board will again try to make a determination. If the information requested is not provided and no additional explanation is given, the TAP Board will consider the application as withdrawn and will destroy all previously received information.

Notifications:

The TAP Board will notify the applicant and GSSB Treasurer and Registrar of its decision and the awarded grant amount. In case of partial tuition assistance, the Registrar will contact the applicant to make payment arrangements for the remainder of the tuition cost.

Recourse:

The decision by the TAP Board is final. By submitting the application to the TAP Board the applicant agrees to hold the GSSB school committee and the TAP Board harmless of any claims to the contrary of the finality of the decision.
